EXPERIENCE

MAY 2018 – PRESENT

FREELANCE WEB DEVELOPER

Although I started teaching myself how to program somewhere in January of 2017, I officially started freelancing in May 2018 due to my work at that time. Through my learning path, I have built some great web apps and gained a lot of experience that way. I highlight my work on my portfolio page located here: <https://ausqa21.github.io>.

SEPTEMBER 2017 – AUGUST 2018

TRAINEE MECHANICAL ENGINEER, ADANSI OIL MILLS, A/R

My work here revolved around routine maintenance, distribution of work, supervision of milling process and keeping of inventory.
